**Dear Colleagues,**

Everything about the ACVTS Symposium continues to evolve.

We have seen it grow to become one of the most innovative events in the Cardiovascular & Thoracic Society. This year the program will last 3 days including new sessions with the participation of distinguished faculty members.

## What's new?

- We will include **interesting case presentations** from hospitals of Greece and abroad, and our expert global opinion leaders will continue to share their knowledge and experience to enhance the educational benefit.
- This year we are proud to have the auspices of the **HELLENIC REPUBLIC National and Kapodistrian University of Athens**, the **Athens Medical Society**, the **Hellenic Society of Vascular and Endovascular Surgery**, the **Panhellenic Medical Association** and the **Hellenic Society of Cardiology** and our global experts, each a specialist in their field with expertise in a broad range of cardiovascular and thoracic disciplines, including aortic, venous, peripheral, carotid, dialysis access, embolization, interventional radiology and more.
- The online registration is open. We have tried to keep the cost at the **low price of 50.00 euros** in order to encourage the participation of all our colleagues from Greece and abroad.
- Keep in touch with our website for details of the Symposium and look out for the **Preliminary Program**.
